We are the Tampa Bay Water Ski Show Team, an amateur organization of skiers who are frequent performers at events such as community festivals, company picnics, and water ski competitions throughout the United States. Many of our members are currently skiing or have skied with Cypress Gardens, Sea World and other professional groups.

We realize that water skiing is a well-known sport but is not always available for everybody. At Tampa Bay, we are able to provide for you a qualified staff of skiers who will teach you to ski from a deep water start on two skis, making progress towards a slalom technique. If you are a slalom skier already, we can improve your skills. We also offer instruction for those more advanced skiers.
